INTERDISCIPLINARY MINOR

Administered by the Department of Geography through the Center for Spatial Studies
College of Letters and Science
University of California, Santa Barbara

3512 Phelps Hall

Phone: 893-8224; email: geog-spatialminor@ucsb.edu

For requirements and minor listings: <http://www.geog.ucsb.edu/undergraduates/minor-spatial-studies/>

For advisory support: <http://www.spatial.ucsb.edu/programs/academic-minor.php>

How to Become a Minor in Spatial Studies

Although students do not need to declare the minor, those who request entry on the Spatial Minor Listing may receive preference in access to selected courses and information about related academic events and opportunities. Once a student has completed the course work outlined above, he or she can pick up a Request for Certification form from the Center for Spatial Studies in the Geography Department, Phelps Hall 3512.

The following conditions must be met for official recognition of the minor:

- Students must consult the *General Catalog* for prerequisites and required courses.
- All courses to be applied to the minor must be completed on a letter-grade basis. This includes all courses to be applied to the minor, offered by the Geography Department as well as those offered by other departments.
- At least 20 upper-division quarter units are completed for the minor. Waivers cannot reduce the requirement below this number.
- Substitutions and waivers are subject to approval by the advisor for the Spatial Studies Minor.
- The UC grade-point average in ALL applicable upper-division courses, including those in excess of minimum requirements, is 2.0 or higher.
- No more than 5 upper-division units overlap between the Spatial Studies Minor and the upper-division portion of a student's major(s) or other minor(s). If the overlap with a student's major(s) exceeds 5 upper-division units, then completion of the Spatial Studies Minor will not be formally recognized; if the overlap with other minor(s) exceeds 5 upper-division units, then only the first minor reported will be noted on the student's transcript.
- Students must have completed at least 12 of the upper-division requirements for the minor while registered as a UCSB student.
- The sponsoring department (Geography) reports completion of the minor prior to the posting of the degree.

No reference will be made to the minor on any progress checks or degree clearance forms.
